PROFILE

Full-stack Java developer with a backend focus and a hands-on approach to problem solving. Experienced in designing and maintaining complete web solutions — backend, frontend, and infrastructure. Skilled in Java (Spring Boot), Vue (Vite), relational databases, API integrations, and server setup, with a track record of delivering secure, scalable applications.

SKILLS

Technical Skills

- **Backend:** Java (modern versions), Spring Boot, JPA/Hibernate, REST API
- **Frontend:** Vue.js (Vite, Vuetify, Pinia), basic knowledge of React/Next.js
- **Databases:** MariaDB/MySQL, Redis
- **DevOps:** Maven, Git, Nginx, Apache, VPS hosting, basic Docker
- **Integrations:** Google Drive API, third-party services
- **Other:** Multilingual applications, GDPR compliance, performance optimization

Soft Skills

Problem-solving · Analytical thinking · Adaptability · Communication · Team collaboration · Time management

PROFESSIONAL EXPERIENCE

- 08/2024 – Present **Full-Stack Developer — DanceNowPortal, Self-initiated project** 
- Designed and developed a production-grade competition management platform, covering backend, frontend, and infrastructure.
 - Built REST APIs with Java Spring Boot for registrations, choreography submissions, fee calculations, scoring, and real-time voting.
 - Developed the frontend in Vue (Vite) with bilingual SR/EN support and admin dashboards.
 - Deployed on self-managed VPS with Nginx, Apache, and MariaDB, ensuring scalability, security, and GDPR compliance.
- 05/2023 – 06/2023 **Java Developer - Internship, Orion Innovation, Belgrade**
- Developed and tested RESTful APIs using Spring Boot, Spring JPA, and Hibernate in microservices architecture.
 - Implemented server-side rendering with Thymeleaf for dynamic web pages.
 - Collaborated in an Agile team using Postman for endpoint testing.

EDUCATION

- 09/2022 – 05/2023 **Java Development Retraining Programme,
University of Belgrade — Faculty of Organizational Sciences**
- 2005 – 2010 **Bachelor's Degree – Business Communication Management,
University of Novi Sad — Technical Faculty "Mihajlo Pupin", Zrenjanin**
